Ministry of Furniture were proud to work with Wales and Osprey's Rugby legend Paul James in fitting out Paul and wife Louise's vibrant new venue, Ten 21 Bar and Bistro, in Neath.

THE VENUE

Bar Ten 21 is an all-day Coffee House, Bar and Bistro located in Neath Town Centre. In a community of re-developed venues, Bar ten21 has been refurbished with a very on trend shabby-chic feel to it.

Paul and Louise's vision was to combine café feel with steampunk undertones. The materials and 'copper' look reflect the industrial heritage of the area perfectly.

Ministry's design team undertook all layout drawings and sampling throughout the design development process - a key and necessary part of project visualisation.

ON THE RECORD...

Louise said

"The quality and style of the furniture is exactly where we wanted to be. Ministry are experts not just in furniture but in how to transform an environment. Their support and advice in the design visualisation was absolutely key in helping us to make our decisions. We think the results are incredible – and so do our customers!"
